

Casino West Public School

Works notification

25 September 2020

Dear parents/carers,

Upcoming repair works at Casino West Public School will require working with asbestos containing material.

The area will be remediated in accordance with the Department of Education's Asbestos Management Plan and SafeWork NSW regulations. All work will be completed by licensed and accredited asbestos contractors, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The material is scheduled to be remediated during the upcoming school holidays from Block E on Tuesday 29 September 2020.

Testing will be completed to ensure the area has been fully remediated. The school will receive a clearance certificate before the area is open to students and staff. We will keep you informed if further material is found which requires removal.

The health, safety, and well-being of the school and the local community is our highest priority. Please be assured that the removal of this material will not pose a risk to the local community.

Thank you for your cooperation during this important work.
