

Wakefield School

Works notification | 11 March 2025

Dear staff, parents and carers,

Following the [works notification on 28 February](#) regarding drinking water quality test results for Wakefield School, remediation work has now been completed by a qualified and accredited tradesperson.

Re-testing of the affected tap outlets by the independent hygienist has confirmed the results meet the requirements of the [Australian Drinking Water Guidelines](#).

Access to tap and bubbler outlets has now been restored.

The health and wellbeing of students, staff and the local community is our highest priority.

Thank you for your cooperation during this important work.
