

Coreen School

Works notification | 17 November 2025

Dear staff, parents, carers and neighbours,

A project is underway to improve the grounds and pedestrian facilities at Coreen School by removing the existing asphalt in the playground and replacing it with new concrete to reduce trip hazards and enhance safety.

As a School for Specific Purposes (SSP), the safety, accessibility, and wellbeing of students at Coreen School are central to the planning and delivery of these works.

An exclusion zone will be installed within the school for the safety of students and to minimise disruption to their learning.

Traffic and parking impacts

Construction vehicles will enter the school via Hereward Highway and park onsite in the school car park.

Traffic on Hereward Highway during work hours may be delayed due to large vehicle movements. We apologise in advance for any inconvenience. Traffic controllers will be used to manage traffic and for the safety of the community. Please follow the directions of any temporary signage and traffic controllers when in place.

Construction work timeframe

Work will start from Monday 8 December 2025 and is expected to be finished by Day 1 term 1 2026. The majority of works are planned for the Summer School Holidays to ensure minimal disruption to school activities.

Work hours will be 7 am to 6 pm Monday to Friday and 8 am to 1 pm on Saturdays. No work will take place on Sundays.

impacts webpage

There will be an increase in noise while excavation works take place. We are committed to managing noise in line with regulatory requirements and will make every effort to ensure works are carried out safely and efficiently with minimal disruption to the community. For more information on how we manage construction impacts, please scan the QR code or visit our webpage at edu.nsw.link/ConstructionImpacts.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your understanding during this important work.
