

Sir Eric Woodward School

Completion pack | May 2023

Message from your Principal

The Sir Eric Woodward School hall is purpose built and is designed to offer our school community opportunity to extend our learning beyond the current scope. It will be a place for school gatherings and events, student lessons, sport and gross motor activities, an indoor play area and a space for multiple classes to work together.

Our staff and students are very excited to be able to access the new multi-purpose school hall. We are looking forward to having this additional indoor learning space that will provide us with a variety of innovative educational opportunities.

Sian Watkins
Principal, Sir Eric Woodward School

Interior of the new hall at Sir Eric Woodward School

The upgrade is now complete

Final works for the new hall at Sir Eric Woodward School have recently been completed.

The new hall will accommodate a variety of learning, recreational and communal activities. The project also included the construction of new covered pedestrian paths to connect the existing buildings to the new hall.

Thank you

We would like to thank you for your patience as we have delivered this project to the school. Your support and cooperation have been invaluable and made it possible for us to deliver these new facilities for the students and staff of Sir Eric Woodward School.
