

Sir Eric Woodward Memorial School

Works notification | 17 December 2025

Dear staff, parents, carers and pool users,

The pool at Sir Eric Woodward Memorial School was closed for cleaning yesterday and has since reopened.

After routine testing, results showed higher than usual microbe levels. As soon as we received the results, and in accordance with the NSW Health Public Swimming Pool and Spa Pool Advisory Guide, we closed the pool and completed additional water treatments as recommended by the guidelines.

The pool reopened today after retesting and can now be used for activities planned for the remainder of Term 4.

We will continue our regular pool maintenance and testing including weekly pool servicing, monthly pump and pool heater servicing and monthly water quality testing.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your patience and cooperation during this important work.
