

Gralee School

Completion pack – February 2026

New covered walkways

The \$284.3 million **Australian Government Schools Upgrade Fund** is delivering grants to improve school facilities across the country. These grants are designed to help schools and their students get back on track after disruptions caused by COVID-19. Public Schools in NSW have a \$68 million share of the fund for infrastructure projects and facility improvements.

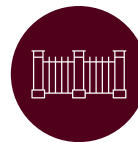

Welcome to your outdoor upgrade and security system

We are excited to announce the outdoor upgrade and security system for Gralee School are complete and all areas are open for use.

This project delivered:

2 new trampolines

new fencing

new covered walkways

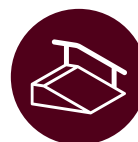

new soft play surfaces

new CCTV surveillance

2 new electronic access control gates

upgraded ramp and handrails

We are delighted to deliver this upgrade for the Gralee community and hope you enjoy your new spaces.

Principal's message

I am excited to share a number of upgrades for Gralee School have been completed and are now ready for our school community to enjoy. These upgrades reflect our ongoing commitment to providing a safe, welcoming, and engaging environment for all students and staff, ensuring it is inclusive and supportive to meet diverse needs.

These upgrades significantly enhance safety, accessibility, security, and recreational opportunities across the school grounds, creating a more comfortable and secure environment for our entire community.

I would like to sincerely thank our community – students, staff, parents and carers, for their patience and support during the outdoor upgrades. I am confident you will appreciate the positive changes as much as we do.

Warm regards,

Carly Rae
Principal
Gralee School

Thank you

Thank you for your patience during the upgrade to Gralee School. Your support and cooperation have been invaluable and made it possible for us to deliver these new facilities for students and staff.
