

Kotara School

Works notification

25 May 2022

Dear parents/carers,

Further to the works notification below issued on 4 May 2022, works at Kotara School were rescheduled due to weather and will take place on Saturday 4 June 2022.

Thank you for your understanding.

4 May 2022

Dear parents/carers,

Upcoming maintenance works at Kotara School will require working with lead containing material. The material is located in the roof of block C, which is inaccessible to students and staff.

This material will be remediated in accordance with SafeWork NSW regulations. All work will be completed in strict accordance with all applicable legislation, regulations, policies and guidelines.

The material is scheduled to be removed from the roof cavity of block C between Saturday 21 May and Sunday 22 May 2022. No lead material will be removed during school hours.

Please be assured that the removal of this material will not pose a risk to the local community.

A comprehensive COVID-19 Safety Plan will be in place for the site and the contractor will enforce strict compliance. Our construction sites will follow all current health guidelines.

The NSW Government is investing \$60 million to provide roof repairs and replacements to priority schools across rural and regional NSW. The above work will take place before construction work starts.

Thank you for your cooperation during this important work.
