

Ajuga School

Works notification | 22 November 2024

Dear staff, parents, carers,

We would like to provide you with an update regarding the relocation of the Glenfield Return to School Centre and Orchid Class, and installation of two new demountable classrooms at Ajuga School.

The Glenfield Return to School Centre and Orchid Class, previously based at the Glenfield District Offices site in Block H, will be housed in these classrooms from Monday November 25.

Thank you for your understanding and cooperation.

Notification issued on 25 September 2024

Dear staff, parents and carers,

Planning is underway to install 2 new demountable classrooms at Ajuga School.

The new classrooms will provide 2 additional teaching spaces — one will also include toilet and laundry facilities.

Installation will begin with delivery of the buildings onto the school site via Roy Watts Road from 8 to 11 October (Spring School Holidays).

A mobile crane will lift the buildings from trucks onto brick footings.

The demountables will be connected to water, electrical, data and sewerage systems during Term 4.

Work is expected to be complete by 1 November.

We will ensure works are carried out safely and efficiently to minimise impacts to the community.

For more information on how construction will be managed, visit the School Infrastructure website: [Managing construction impacts in your community \(nsw.gov.au\)](https://www.schoolinfrastructure.nsw.gov.au).

As an added safety measure, the demountable classrooms will be temporarily fenced off while work is carried out.
