

# Arncliffe Public School

## Works notification | 6 March 2026

Dear staff, parents and carers,

On Thursday 5 March 2026 mould was identified during a routine inspection in a Building A storeroom at Arncliffe Public School.

As a precautionary measure, access to the area was immediately restricted.

All surfaces in the storeroom will be environmentally cleaned between **Saturday 7** and **Saturday 14 March 2026**.

All work involving mould will take place outside of school hours with safety measures in place. The storeroom will be re-inspected by the independent hygienist and clearance will be issued for it to be reopened.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
