

Bourke Street Public School

Works notification | 29 November 2024

Dear staff, parents, carers and neighbours,

We are pleased to announce we will be upgrading some key school facilities in Building B at Bourke Street Public School.

This project will include converting two storage spaces into a new classroom and converting an existing classroom into an accessible bathroom.

Work will start the week commencing Monday 2 December 2024 and is expected to be finished in time for students and staff to enjoy from Day 1 Term 1 2025.

Temporary fencing will restrict access to the area during the work. We will coordinate with the school to avoid any impact on student learning.

Work hours will be Monday to Friday 7 am to 6 pm and Saturdays 8 am to 1 pm. We will endeavour to minimise noise where possible.

All work will take place within the school grounds and the majority will be completed within the **Summer School Holidays**.

Appropriate safety measures will be in place while work is being done.

If you have any questions about this planned work, please contact us on the details below.

Please note our community phone and email are staffed Monday to Friday, 9 am to 5 pm.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
