

Goulburn High School

Works notification | 3 September 2025

Dear staff, parents and carers,

Remediation works are currently underway in Building C, which will continue to be closed for the duration of the works at Goulburn High School. The most recent project update was issued in [April 2025](#).

The planned remediation works include:

- removal of asbestos-containing materials and encapsulation, where removal is not possible.
- removal and replacement of all aluminium windows and ceilings.
- painting, replacing flooring and shelving.

Work started on Monday 25 August 2025 and are expected to be finished by late April 2026, weather and other conditions permitting.

The asbestos removal schedule:

- Removal of internal bonded asbestos works will take place Monday to Friday, between 7 am and 5 pm by licensed asbestos contractors.
- Removal of external bonded asbestos works will take place Saturday between 7am and 4 pm by licensed asbestos contractors with no work permitted on Sundays or public holidays.

For more information, you can read the [NSW Health asbestos fact sheet](#).

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. Safety measures will be in place while work is being done. All work will be completed by licensed asbestos contractors and inspected by independent hygienists.

The health, safety and wellbeing of students, staff and school community remain our highest priority.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
