Griffith High School
Works notification | 3 September 2026

Dear staff, parents and carers,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

As part of our planned maintenance, we are writing to inform you of upcoming works at Griffith High School.

Construction of a new Covered Outdoor Learning Area (COLA) and covered walkway will take place in the main area on the north side of Building 14 at Griffith High School.

These works will be carried out in 2 stages:

- **Stage 1:** Saturday, 26 September 2026 to Friday, 9 October 2026 - the initial works will be undertaken such as site establishment (temporary fencing and site setup), excavation and footings for the new structure, and installation of the structural framework, during the spring school holidays to minimise disruption to students and staff.
- **Stage 2:** Friday, 18 December 2026 to Saturday, 19 December 2026 - any remaining works required to complete the project will be undertaken during the summer school holidays.

Work hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

The safety and wellbeing of students, staff and the broader school community remains our priority. The department will work closely with the school to keep any disruption to staff and students to a minimum while these works are underway.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support.
