

Maitland High School

Works notification | 10 August 2023

Dear staff and parents/carers,

We are refurbishing the boys' and girls' toilets in Building T at Maitland High School. This work will involve working with known asbestos containing material in the ceiling lining as per the school's asbestos register.

The toilets will be cordoned off before the work starts, and safety measures and monitoring put in place.

Work to remove the ceiling linings will take place on Saturday 26th August 2023. All work involving asbestos containing materials will take place outside of school hours, with additional safety measures and monitoring in place before the work starts.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The toilets will be inspected by an independent hygienist to confirm they have been fully remediated, and the school will receive a clearance certificate before they are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
