Investing in our schools

As part of the NSW Government's plan to rebuild public education, the NSW Budget is delivering \$2.1 billion for new and upgraded schools in regional NSW. This targeted investment will ensure growing communities get access to a world class public education.

Progress summary

We are excited to share photos of the completed improvements works at Maitland Grossmann High School.

We have completed:

- painting Blocks A, B, C, D and H (the hall)
- installing covered walkways
- replacing the timber retaining wall between Blocks F and M
- adding a new demountable vocational education and training (VET) hospitality kitchen
- artwork for the gymnasium and a demountable classroom.

New undercover walkways connecting school buildings

Next steps

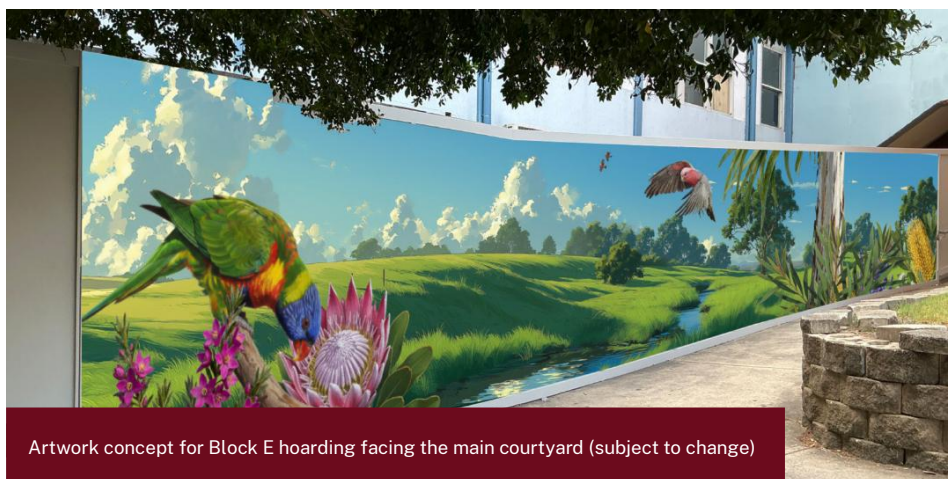

We will continue improvement works to:

- enhance the appearance of Block E
- install artwork on the new hoarding facing the main courtyard area and Cumberland Street
- finish landscaping around the new shade structures.

We are continuing to explore options for the school’s future, including the potential of relocation and for expansion of the school. We will provide an update on the preferred option later this year.

Block E hoarding
