

Parramatta High School

Works notification | 17 June 2026

Dear staff, parents, and carers,

We would like to update you on the maintenance work in Building C at Parramatta High School.

Work was rescheduled and the removal of the vinyl tiles in Building C will now take place after school on Friday 26 June 2026 and be completed on the same day.

Thank you for your understanding and support during this important work.

Dear staff, parents and carers and neighbours,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

We would like to inform you we are replacing the vinyl tiles in the office on Level 2 in Building C at Parramatta High School.

These vinyl tiles are known to contain bonded asbestos as listed on the School Asbestos Management Plan (SAMP).

Work to remove asbestos containing materials will take place on Friday 12 June 2026 and be completed on the same day. All work involving asbestos containing material will take place outside of school hours with safety measures such as air monitoring and PPE in place.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. Safety measures will be place while work is being done. All work will be completed by licensed asbestos contractors.

The room will be inspected by an independent hygienist and a clearance certificate will be issued before the room is reopened.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.

For more information about asbestos please visit the [NSW Health website](#) or scan the QR code.
