

Wagga Wagga High School

Works notification – 13 August 2026

Dear staff, parents, carers and neighbours,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

We are pleased to advise that as part of our regular maintenance schedule, 2 projects are underway in Building A at Wagga Wagga High School.

Upcoming lead paint works

Lead paint has been identified on the external windows of Building A. The paint has been tested by an independent hygienist and works will involve scraping, wet sanding and chemical stripping where required.

Works are being carried out between Monday 10 August 2026 and Saturday 5 September 2026. Work hours are 7 am to 6 pm Monday to Friday and 8 am to 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

All work will be done in accordance with work, health and safety laws. All work will be completed by experienced contractors and inspected by independent hygienists who will provide a clearance report before the area is reopened.

Bonded asbestos removal works

Work to remove asbestos containing material will take place in the roof at the northern end of Building A. This area is known to contain bonded asbestos, as listed on the school's Asbestos Management Plan.

Works have been carried on Saturday 8 August 2026 and work hours were between 8 am to 1 pm, in line with NSW Environment Protection Authority guidelines.

All work involving asbestos-containing materials will take place outside of school hours with safety measures such as protective personal equipment, air monitoring and temporary fencing in place.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed asbestos contractors and inspected by independent hygienists.

We will keep the community updated. If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.
