

Macksville High School

Works notification | 20 November 2024

Dear staff, parents and carers,

We will be refurbishing the boys' bathrooms in the sub floor level in Building A at Macksville High School.

The bathrooms are currently out of service and will remain so until refurbishment works are complete. Alternative bathroom facilities are available in Building C, V and S. There will be no interruption to school operations during the works.

Temporary construction fencing will be installed on the canteen side of the building to restrict access to Building A from that side. Access to the canteen will not be affected.

Work will start on **Saturday 24 November 2024** and is expected to be finished by **Friday 29 February 2025**. Work hours are between 7 am and 6 pm on weekdays and 8 am and 3 pm on Saturdays.

All work will be done in accordance with work health and safety laws. Safety measures will be in place while work is being done.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
