

Wyong High School

School holiday works notification | Spring 2026

Dear staff, parents and carers,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

We are upgrading the closed-circuit TV (CCTV) security system at Wyong High School. The purpose of these cameras is to monitor entry into the school premises and enhance security for students and staff.

As part of this upgrade, 41 CCTV cameras will be installed in the following areas:

- 2 new external cameras on the southern side of Building A
- 3 new external cameras throughout Building B
- 2 new external cameras on the ground floor of Building C
- 3 new external cameras around Building D
- 2 new external cameras on the northern side of Building E
- 1 new external camera on the southern side of Building F
- 6 new cameras in the movement areas of buildings E, G, H, K and L
- 2 new external cameras on the western side of buildings H and J
- 3 new external cameras on the northern and southern sides of Building K
- 1 new external camera on the southern side of Building M
- 8 replacement cameras throughout Building B
- 2 replacement external cameras on the first floor of buildings C and D
- 2 replacement cameras in the movement area of Building E
- 4 replacement cameras in the woodwork classroom and on the western side of Building P

This work is scheduled during the upcoming school holidays, which includes from the end of the school day on Friday 25 September 2026 up to the first day of Term 4, Tuesday 13 October 2026.

As a precaution, the areas will be isolated during installation. Safety measures such as temporary fencing will be in place during the work.

If you have any questions about this, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.
