

Kurri Kurri High School

Works notification | 22 May 2026

Dear staff, parents, carers and neighbours,

Due to contractor availability, the planned work in buildings B and C, as outlined in the works notification dated 18 May 2026, has been rescheduled.

This work will now be done on Saturday 30 May 2026.

Thank you for your understanding.

Notification issued 18 May 2026

Dear staff, parents and carers,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

On Wednesday 13 May 2026, 2 cracked windows were identified in the classrooms of buildings B and C at Kurri Kurri High School.

The putty material in these windows is known to contain bonded asbestos, as listed on the School Asbestos Management Plan.

The glass was immediately secured and an independent hygienist was engaged to provide advice. The putty material in both windows is currently undisturbed and in good condition.

Work to remove asbestos-containing materials and replace the glass will take place on **Saturday 23 May 2026**.

All work will be done in accordance with work, health and safety laws. All work will be completed by experienced contractors and inspected by independent hygienists.

If you have any questions about this, please contact the NSW Department of Education on the details below.

Thank you for your understanding and support during this important work.
