

# Belmont High School

## Works notification | 20 November 2024

Dear staff, parents, carers and neighbours,

We would like to provide you with information on the upcoming planned upgrade to replace the covered outdoor learning area (COLA) at Belmont High School.

The COLA is located near the existing sports court on the eastern side of the school, next to the sports field. This area will be fenced off from Saturday 30 November 2024 until the construction is completed.

Works will take place from 30 November 2024 to 25 April 2025, Monday to Friday, between 7:00 am and 5:00 pm.

We will ensure works are carried out with minimal impact to the community.

The health, safety and wellbeing of the school and the local community is our highest priority.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
