

Cheltenham Girls High School

Works notification | 16 March 2026

Dear staff, parents, carers and neighbours,

A project is underway to create a new gym/yoga studio at Cheltenham Girl High School. This project has been made possible through funding from the school community as well as the NSW Government, as part of their plan to rebuild public education. The planning pathway for this project, the Review of Environmental Factors (REF) has been approved, allowing for construction to start.

Start of construction

Construction of the new gym/yoga studio will start from Wednesday 17 March 2026. These facilities will offer the students an enhanced and versatile space to support their physical wellbeing, fitness and overall health. We expect the project to be finished by end of July 2026, weather and site conditions permitting.

Work will include:

- Site establishment, including the setup of a secure construction site and materials handling zone.
- Minor demolition of existing structures to prepare the site for the new gym/yoga studio
- Concrete works, including foundation work and pouring a new slab for the new gym and yoga studio
- Construction of new gym/yoga studio

Construction vehicles will enter the school via The Promenade and park onsite in the staff carpark. Traffic control will be used as required for the safety of students, staff and the local community. Please follow the directions of any temporary signage and traffic controllers when in place.

Managing construction impacts

The safety of the school, visitors and the local community is our highest priority. We are committed to minimising disruptions where possible while work is taking place.

For more information about how we manage construction impacts, please visit our webpage at edu.nsw.link/ConstructionImpacts or scan the QR code.

Working hours

Construction work will take place Monday to Friday from 7 am to 6 pm and 8 am to 1 pm on Saturdays. No work will take place on Sundays or public holidays unless otherwise advised.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your cooperation while we deliver this important project for the Cheltenham Girls High School community.
