

Cheltenham Girls High School

Works notification | 12 May 2026

Dear neighbours,

Following [the works notification issued in March 2026](#), work to build a gym/yoga studio on the grounds at Cheltenham Girls High School is currently underway.

On Saturday 16 May 2026, we will be undertaking concrete pouring activities. We expect work to be completed on the same day, site conditions and weather permitting.

During the works, there may be some construction noise as there will be heavy machinery, including concrete trucks accessing the school. As such, some noise and disruption can be expected throughout the day.

There will also be an increase in truck and contractor vehicle movements in nearby streets. All construction vehicles will access the construction site via Promenade St.

Work hours are between 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

Managing construction impacts

The health, safety, and wellbeing of our school and local community are our highest priority. We are committed to minimising disruptions where possible while work is taking place.

For more information about how we manage construction impacts, please visit our webpage at edu.nsw.link/ConstructionImpacts or scan the QR code.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.
