

Blakehurst High School

Completion Pack | September 2026

To our community

Welcome to your upgraded student toilets at Blakehurst High School.

This upgrade has given the school community improved facilities while creating access to more outdoor space once we remove 6 demountable toilet buildings from the school site in the coming months.

This project transformed spaces within buildings B and D into:

30 new toilet cubicles

new cleaner's storeroom

Message from your principal

At Blakehurst High School, students are at the heart of everything we do, and we are committed to creating a supportive and inclusive environment. The recent upgrades to our facilities are designed to make every student feel valued, comfortable and supported, reflecting the growing needs of our school community.

The transformation of space within buildings B and D has delivered modern, welcoming amenities that promote student wellbeing. Additionally, thanks to the generosity of our school community, we were able to include extra wall tiling and full-length mirrors, further enriching these upgraded toilets.

We sincerely thank everyone in our school community for your patience, generosity, and ongoing support throughout these important improvements. Together, we continue to build a supportive school environment where every student can thrive.

Kylie Rytmeister

Principal, Blakehurst High School.

Thank you

Thank you for your generosity and patience during the upgrades at Blakehurst High School.

Your support and cooperation made it possible for us to deliver these new facilities.
