

Bonnyrigg High School

Community update | 28 June 2024

Dear students, staff, parents and carers,

As part of the NSW Government's plan to rebuild public education, the 2024-25 Budget is delivering record education funding, including \$1.5 billion for maintenance and local upgrades.

Bonnyrigg High School facilities upgrade

As part of this investment, Bonnyrigg High School will receive an upgrade to support facilities at the school. This includes:

- refurbishing the toilet facilities
- refurbishing the canteen
- remediating the ground movement affecting buildings A, B, C and I.

We are in the process of developing a detailed scope for these works.

Our aim is to deliver the refurbishments during the 2024-2025 financial year.

If you have any questions about this project, please contact the NSW Department of Education during business hours on the details below.
