

Bonnyrigg High School

The new multi-use sports arena

Completion pack – September 2025

Welcome to your new buildings and facilities

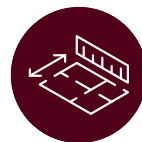

We are excited to announce the opening of Bonnyrigg High School’s new flexible open learning space, covered sports court, toilets and pathways.

Following our update in April 2025, construction work at Bonnyrigg High School has been finished with the new buildings and learning areas open from Friday 15 August 2025.

This project has delivered:

new covered outdoor learning area providing a multi-use sports arena

a flexible open learning space

new staff kitchen

new staff and student bathrooms

new pathways and landscaping

The new buildings and amenities have been constructed to Education Facilities Standards and Guidelines, ensuring they support proven teaching methods while providing learning spaces that meet students’ needs.

The exterior of the covered outdoor area and flexible learning space

A message from your Principal

After 2 years of hard work, I am delighted to announce that our new building and multi-sport court is open.

The new flexible learning space provides the school with an outstanding new resource which will strongly support student growth and attainment.

With a growing student population, we are excited to open a new covered outdoor sports area, providing more space for learning and activities outside.

I would like to thank our amazing students and staff for their patience and understanding while these new buildings and facilities were under construction.

These renovations and additions provide Bonnyrigg High School with the facilities to continue providing an exceptional learning environment.

Thank you again for your patience, understanding and support.

Reece Hooke

Principal

Bonnyrigg High School
