

Brisbane Water Secondary College Woy Woy Campus

Works notification | 3 July 2025

Dear staff, parents and carers,

During adverse weather conditions on Tuesday 1 July 2025, a tree branch above the support class in Building I was dislodged.

As a precaution, students and staff were immediately relocated to another classroom in the school while a contractor was scheduled to remove the branch.

A contractor removed the broken branch and inspected the tree after the school day finished on Tuesday 1 July 2025.

The classroom was able to be used as usual from the start of school on Wednesday 2 July 2025.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
