

Pittwater High School

Community update | November 2024

Dear parents, carers and staff,

As part of the NSW Government's record \$1.5 billion investment in maintenance and local upgrades, planning is underway for upgrades to bathrooms, air-conditioning and electrical infrastructure at Pittwater High School.

Work will include:

- installation of an additional 52 air-conditioning units across the school
- separation of existing toilet block into junior and senior sections, including:
 - replacement bathroom fittings
 - floor tiling
 - painting
 - electrical work
 - plumbing upgrades.

This work is valued at more than \$1 million and is expected to begin next year.

More information

We will keep the community updated and provide more information as it becomes available.
