

# Pittwater High School Completion Pack | October 2025

Image caption: upgraded cubicles

## Welcome to your new facilities

We are excited that the bathroom upgrade and air conditioning project for Pittwater High School are finished, and all areas are open for use.

New toilet facilities with junior and senior sections

52 new air conditioning units in 42 classrooms

## Thank you

Thank you for your patience during the upgrade to Pittwater High School. Your support and cooperation have been invaluable and made it possible for us to deliver these new facilities for students and staff.

We are thrilled to have delivered this project for the school community.

New air conditioning units at Pittwater High School.

## Message from your Principal

I am absolutely thrilled to share that we have a brand-new toilet block and 52 air conditioning units installed ahead of the warmer months.

The new toilet block has separate junior and senior sections, providing students with greater privacy within their cohorts.

To keep our school community comfortable, 52 air conditioning units have been installed in 42 classrooms, with 10 larger classrooms having 2 units in place. I am grateful that we can provide ideal temperatures for teaching and learning as we approach summer.

Thank you for your patience during construction, especially while we had the temporary toilets. I am pleased we now have new and permanent facilities to enjoy.

**Alison Gambino**

School Principal
