

# Bankstown Senior College

## Works notification | 12 February 2026

Dear staff, parents and carers,

We will be completing scheduled carpet replacement across 4 rooms in Building A at Bankstown Senior College after school hours on Friday 27 February and Saturday 28 February 2026.

As part of this work we will be removing known bonded asbestos under the carpet as per the School Asbestos Management Plan.

NSW Health explains that “living or working with asbestos, or just being around it, is a low risk to your health as long as the asbestos is in good condition and not damaged.

The rooms will be closed and locked to students and staff during work with signage in place.

All work will be done in accordance with work health and safety laws and the NSW Department of Education’s Asbestos Management Plan. Safety measures will be in place while work is being done. All work will be completed by licensed asbestos contractors.

The rooms will be inspected by an independent hygienist to confirm they have been fully remediated, and a clearance certificate will be issued before the rooms are reopened.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
