

Whitebridge High School

Works notification | 27 October 2025

Dear staff, parents, carers and neighbours,

Following the [works notification from the spring holidays](#), we are refurbishing internal areas, including the toilets, and replacing the roof in Building B, the facilities block where the canteen is, at Whitebridge High School.

The school's asbestos management plan (SAMP) identifies the ceiling cavities in Building B as containing friable asbestos. The ceiling cavity and material within has not been disturbed.

Friable asbestos can be crumbled, pulverised or reduced to a powder by hand pressure.

Schedule of works for Building B

Description	Timing
Preparation and non-asbestos works	Finished
Remediation of ceiling cavity in boys toilets	Finished
Replacement of roof above boys toilets	Underway
Refurbishment of boys toilets	Underway
Remediation of girls toilets and canteen	Summer holidays 2025-26
Replacement of roof above girls toilets and canteen	Likely Term 1 2026
Refurbishment of girls toilets	Term 1 2026

Advanced clearance was issued for the boys toilets remediation by the independent hygienist before school resumed, followed by a clearance certificate.

Timing of girls toilets roof replacement will depend on when the removal of asbestos is finished.

These areas will remain isolated from students and staff until the refurbishments are finished. Alternative toilets are available.

After each stage of asbestos removal work, the building will be inspected by the independent hygienist and cleared before any other work continues or rooms are reopened. Other safety measures include air monitoring.

All work involving asbestos-containing materials will take place outside of school hours.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed asbestos contractors.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
