

# Wingham High School

## Works notification | 16 March 2023

Dear staff and parents/carers,

Further to the below notification, work to seal the gaps in the roof spaces of Buildings A and B at Wingham High School could not be completed as planned on Saturday 11 March and will be finished on Thursday 16 March outside of school hours, with additional safety measures and monitoring in place.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

Thank you for your understanding.

### 9 March 2023

Dear staff and parents/carers,

Further testing and the implementation of additional safety measures to seal any gaps in the roof spaces of Buildings A and B at Wingham High School is required before the upcoming planned maintenance works on these roofs can proceed. This work will take place on Saturday 11 March 2023.

All works involving asbestos containing materials will take place outside of school hours, with additional safety measures and monitoring in place before works start.

A detailed remediation plan for the roof cavities of Buildings A and B will be provided following this investigation.

Thank you for your understanding during this important work.
