Investing in our schools

As part of the NSW Government's plan to rebuild public education, the NSW Budget is delivering \$2.3 billion for new and upgraded schools in regional NSW. This targeted investment will ensure growing communities get access to a world class public education.

Welcome to your upgraded goat shed

We are excited to announce that construction of the new goat shed at Windsor High School is now complete and ready to house our Sydney Royal Easter Show award-winning Nigerian Dwarf goats.

This project delivered:

new goat and chicken shed

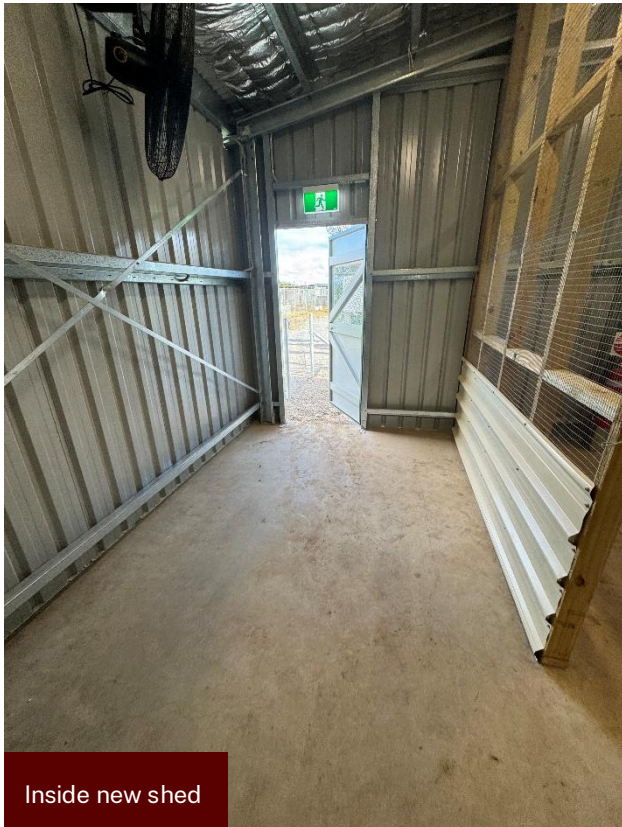

new office and admin space

Thank you

Thank you for your patience during the upgrade to Windsor High School. Your support and cooperation have been invaluable and made it possible for us to deliver these facilities for the school community.

Message from your principal

Please join me in celebrating the completion of our school's new goat shed. This new facility will accommodate the school's show goats and chickens, while also providing storage space and a small office with associated amenities.

The completion of this project now provides our students with a modern facility that will further engage and inspire their interests in agricultural learning.

At Windsor High School, we hold high expectations and a commitment to excellence form the foundation of everything we do. As Principal, I am proud to lead a school that nurtures the talents and aspirations of every student across all domains.

I would also like to sincerely thank our community, students, staff, parents and carers, for their patience and support during construction. We are confident you will agree the transformed space has created a welcoming and vibrant environment for our students (and animals) to enjoy.

Mrs Jennifer Hawken

Principal, Windsor High School

Students with Nigerian Dwarf Goats and at the 2026 Sydney Royal Easter Show
