

Woonona High School

Works notification | 21 October 2025

Dear staff, parents and carers,

On Thursday 11 September 2025 we notified you of a broken ceiling sheet in the hallway near the boys changeroom in the gym at Woonona High School.

We removed the damaged bonded asbestos sheeting and soffit linings and installed new plasterboard ceiling linings on Saturday 18 and Sunday 19 October 2025.

All work involving asbestos-containing materials took place outside of school hours.

All work was done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. Safety measures were in place while work was being done. All work was completed by licensed asbestos contractors.

The area will be inspected by an independent hygienist to confirm it has been fully remediated, and a clearance certificate will be issued before the area is reopened.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
