

# The Hills Sports High School

Works notification | 2 August 2023

Dear staff and parents/carers,

We are refurbishing the flooring in the library in Building F and in the Industrial Arts classrooms in Building B at The Hills Sports High School.

As part of this work, asbestos containing vinyl tiles located under the carpet will need to be removed.

The rooms continue to be safely used as the vinyl tiles are undisturbed and under the carpet.

Work in the library will take place from Tuesday 22 August to Thursday 24 August. Work in Building B will take place from Saturday 26 August to Sunday 27 August 2023. All work involving asbestos containing materials will take place outside of school hours.

Work areas will be cordoned off, and additional safety measures and monitoring will be put in place under the advice of an independent hygienist before works start. They will remain out of bounds until the work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The areas will be inspected to ensure they have been fully remediated, and the school will receive a clearance certificate before the rooms are reopened to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
