

# Ku-ring-gai High School

Completion pack – September 2025

Ku-ring-gai High School

## Welcome to your refurbished school buildings

We are pleased to let you know that roof replacements and classroom refurbishments in buildings B and I at Ku-ring-gai High School are now finished.

This was a large maintenance project which delivered:

roof replacements buildings B and I

removal and replacement of vermiculite ceilings

repainting of classrooms

installation of new windows

electrical upgrades including LED lights and fans in multiple buildings

New and improved roofs at Ku-ring-gai High School

Roofs on buildings B and I at Ku-ring-gai High School have been replaced

## A message from your principal

It's wonderful to see that buildings B and I, housing classrooms and our technological and applied studies (TAS) spaces, have recently been refurbished.

The new roofs are modern and sturdy, and will better protect those buildings from the elements.

Internal spaces in these buildings have also had a makeover. There are some new ceilings, fresh paint and windows have been replaced – providing revived spaces for teaching and learning.

Since we celebrated our major upgrade in 2020, we continue to provide the environment for academic excellence and diverse opportunities.

### Stephen Plummer

Principal  
Ku-ring-gai High School
