

Evans High School

Works notification | 2 February 2023

Dear staff and parents/carers,

Upcoming maintenance as part of the Evans High School hall upgrade will involve working with asbestos containing material in the ceiling of storage rooms in the Multi-Purpose Building. All rooms are fenced off within the construction site.

Work to remove the material will take place on Saturday 4 February and Sunday 5 February 2023. All works involving asbestos containing materials will take place outside of school hours, with additional safety measures and monitoring in place before works start.

The area will be remediated in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited independent asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The health, safety and wellbeing of the school and local community is our highest priority and we will continue to keep the community updated.

Thank you for your understanding during this important work.
