

# Pennant Hills High School

Works notification | 26 May 2023

Dear staff and parents/carers,

We are refurbishing the flooring in Building 1 at Pennant Hills High School. The flooring work started on Monday 22 May and is expected to be completed by Tuesday 6 June 2023.

As part of this work, asbestos containing vinyl tiles will need to be removed. All work involving asbestos containing materials will take place outside of school hours.

Work areas have been cordoned off, and additional safety measures and monitoring will be put in place under the advice of an independent hygienist before remediation works start. They will remain out of bounds until the work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

Each area will be inspected to ensure they have been fully remediated and the school will receive a clearance certificate before the rooms are reopened to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
