Fairvale High School

Works notification | 2 September 2026

Dear staff, parents and carers,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

We are pleased to advise that as part of our planned maintenance we will be extending the existing shade structure within the covered outdoor learning area next to the sporting courts at Fairvale High School.

Site establishment commenced in mid-August 2026 and includes:

- installing temporary fencing and mesh hoarding
- setting up site office facilities, including sheds, walkways and amenities
- establishing temporary power and water supply to the site.

Site establishment is expected to take around 2 weeks, after which construction activities will start and is expected to be completed by mid-December 2026, permitting weather conditions and contractors availability.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your understanding and support during this important work.
