

Tuggerah Lakes Secondary College, The Entrance

Community update | November 2024

Dear parents, carers and staff,

As part of the NSW Government's plan to rebuild public education, the 2024–25 Budget is delivering record education funding, including \$1.5 billion for maintenance and local upgrades.

As part of this investment, Tuggerah Lakes Secondary College, The Entrance Campus will receive a share for the refurbishment of the Technological and Applied Studies space and concrete repairs.

Technological and Applied Studies learning space

Refurbishing of the Technological and Applied Studies space in Building B aims to improve student facilities and learning outcomes.

The works will include:

- new configuration of room
- floor coverings
- painting
- dust extraction system
- new machinery.

This work is expected to start in December 2024 and finish in February 2025, weather and other conditions permitting.

Concrete repairs

We are waiting for our independent engineer to provide a final report with recommendations to repair damaged concrete affecting covered walkways.

This work is expected to start in March 2025 and finish in April 2025, weather and other conditions permitting.

More information

We will keep the community updated and provide more information as it becomes available.

If you have any questions about this project, please contact the NSW Department of Education during business hours on the contact details below.
