

Walgett Community College High School

Works notification | 14 August 2024

Dear staff, parents and carers,

Further to the [12 August 2024 works notification](#), remediation of the music room's damaged external wall cladding at Walgett Community College High School was completed on Wednesday 14 August 2024.

An independent hygienist reinspected the area, and a clearance certificate has been issued, allowing the area to be reopened on 14 August.

There was no disruption to school operations.

Work was carried out by licensed and accredited asbestos contractors and monitored by independent hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

All work involving asbestos-containing materials was conducted outside of school hours in compliance with work, health and safety laws and the NSW Department of Education's Asbestos Management Plan.

The health and wellbeing of students, staff and the local community is our highest priority.

Thank you for your cooperation during this important work.
