

# Galston High School

## Works notification | 24 April 2026

Dear staff, parents, carers and neighbours,

We are pleased to report that high performance and gifted education (HPGE) upgrades continue at Galston High School.

Under the HPGE program, 33 high schools including Galston High School will receive facility upgrades to accommodate increased enrolments, broaden educational opportunities and facilitate the delivery of tailored HPGE offerings.

### Upgrades to sports courts

Following [the project update issued in March 2026](#), as part of the HPGE program, sports courts on the grounds at Galston High School are currently being upgraded.

Starting on Thursday 30 April 2026, we will begin work on resurfacing the sports court. We expect work to be finished by the end of Term 3, 2026, site conditions and weather permitting.

Site establishment will be completed on Thursday 30 April 2026, including the setup of a secure construction zone and the establishment of a materials handling area.

During the works, there may be some construction noise as there will be heavy machinery, including concrete trucks, and steel delivery vehicles accessing the school. As such, some noise and disruption can be expected throughout the construction period.

There will also be an increase in truck and contractor vehicle movements in nearby streets. All construction vehicles will access the construction site via the lower car park gate on Galston Road.

Work hours are between 7 am and 5 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

### Managing construction impacts

The health, safety, and wellbeing of our school and local community are our highest priority. We are committed to minimising disruptions where possible while work is taking place.

For more information about how we manage construction impacts, please visit our webpage at [edu.nsw.link/ConstructionImpacts](https://edu.nsw.link/ConstructionImpacts) or scan the QR code.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.
