

Chifley College Dunheved Campus

Works notification | 7 June 2024

Dear staff, parents and carers,

On Thursday 6 June 2024, a small amount of material fell from the ceiling in the hall of Chifley College Dunheved Campus. No students or staff were using the hall at the time.

The hall was cordoned off until a contractor attended the school to conduct an assessment.

The contractor assessed the hall's ceiling on Friday 7 June 2024 and advised it could be reopened.

The school's asbestos register indicates there is no asbestos in the hall's ceiling material.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.

If you have any questions, please contact the department on the details below.
