

Callaghan College Waratah Campus

Works notification | 1 December 2025

Dear staff, parents and carers,

We are pleased to advise that we have finished refurbishing the interior of buildings G and L at Callaghan College Waratah Campus.

First floor buildings G and L

Internal refurbishment of the first floors in buildings G and L finished this term. Spaces have been reopened for students and teachers to use. The landscaping works in this area are also finished.

Ground floor support classrooms

The ground floor support classrooms in Building G that were flooded earlier this year have been refurbished. Classes have settled back into those rooms.

There are some minor works to be finalised in the General Assistant's room, however all learning spaces have been reopened.

Images of the Building L refurbishment are shown here.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your understanding.
