

Northern Beaches Secondary College Cromer Campus

School holiday works notification - Summer | 2024/25

We regularly inspect and maintain schools to ensure the safety and wellbeing of our school communities.

The school holidays are the ideal time for a lot of maintenance and project work to take place across the state without disrupting learning.

Planned work over the Summer School Holidays

We will be doing work at your school during the Summer School Holidays. This period may include from the end of the school day on Thursday 19 December 2024 up to the first day of Term 1, Friday 31 January 2025.

As part of planned work, we are replacing the roof in Building SC (gymnasium) and refurbishing the student toilets in Building AM (ground floor) at Northern Beaches Secondary College Cromer Campus.

Work hours

Work will be undertaken during the approved work times of Monday to Friday 7am to 5pm.

There may be some construction noise during this period as well as a crane, trucks and contractors which will be accessing the school and construction zones.

The roof replacement work is expected to be finished by Day 1 Term 1 2025, weather and other conditions permitting.

The health, safety and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
