

# Brisbane Water Secondary College Umina Campus

## Works notification | 4 September 2024

Dear staff, parents and carers,

Over the weekend of 31 August and 1 September 2024, unexpected damage to a ceiling occurred in a photography darkroom in the Technological and Applied Studies Building at Brisbane Water Secondary College Umina Campus.

Loose material fell from the ceiling in this room. As a precaution, following the incident, the room was immediately locked, and made inaccessible to students and staff. A hygienist was engaged to test the ceiling material and provide advice.

Testing confirmed the ceiling material did not contain asbestos.

Between Thursday 5 September and Friday 6 September 2024 the room will be cleaned, repaired and reopened for use by Monday 9 September 2024.

The health, safety, and wellbeing of the school and the local community is our highest priority.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
