

Newtown High School of Performing Arts

School holiday works notification – Winter 2026

Dear staff, parents, carers and neighbours,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

We will be working at Newtown High School of Performing Arts during the winter holidays.

This period may include from the end of the school day on Friday 3 July 2026 up to the first day of Term 3 Tuesday 21 July 2026.

During this time we will be replacing the external windows in Buildings F. This project will update the facade of the building and enhance the overall design of the school.

The next steps include:

- Site establishment and setting up a secure construction area with temporary fencing.
- Installation of scaffolding around Building F.
- Installation of a new windows in Building F.

Construction hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines. No work will take place on Sundays or public holidays unless otherwise advised.

There may be increased noise and traffic movements along Smith Lane and Whitehorse Street during this project. We are committed to minimising disruptions where possible while work is taking place.

Vacation care located on the other side of the school in Building C will not be affected by this work and will operate as usual during the holidays.

If you have any questions about this project, please contact the NSW Department of Education during business hours using the details below.

Thank you for your understanding during this important work.
