

Terrigal High School

Works notification | 12 March 2026

Dear staff, parents and carers,

On Friday 27 February 2026, heavy rain caused water damage to 2 classrooms in Building B at Terrigal High School.

Access to the classrooms has been restricted and alternative classrooms within the school have been made available until repairs to these rooms can be undertaken.

The surfaces in the classrooms has been environmentally cleaned and dried, and contractors have repaired the damage between Monday 2 and Wednesday 4 March 2026, after which the classrooms have been reopened for normal use.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities. We will keep the community updated.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your understanding and support during this important work.
