

# Dubbo College Delroy Campus

Works notification | 4 August 2023

Dear staff and parents/carers,

On Friday 28 July 2023, a toilet partition in the toilets in Building G at Dubbo College Delroy Campus was damaged. As part of repair works, asbestos containing material within the partition will be removed. The area was cordoned off immediately and access restricted to keep students and staff safe.

Additional safety measures and monitoring will be put in place before works start and the area will remain out of bounds to students and staff until the remediation and associated maintenance is finished.

Work to remove the material and replace the toilet partition will take place on Saturday 5 August 2023.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The toilets will be inspected to ensure they have been fully remediated, and the school will receive a clearance certificate before the area is re-opened.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
