

Macquarie Fields High School

Works notification | 23 June 2026

Dear staff, parents and carers,

The health, safety and wellbeing of all members of our school and local community remain our highest priorities.

As part of the NSW Department of Education's ongoing commitment to maintaining and improving school facilities, a range of site improvement works will be undertaken across the school at Macquarie Fields High School.

These works will enhance the safety, security and functionality of the school and include:

- Replacement of the existing security boundary fencing with new upgraded security boundary fencing.
- Installation of new CCTV cameras to enhance site security and monitoring.
- Alarm system upgrades to improve the school's security infrastructure.

The fencing and alarm upgrade works are expected to be finished by the end of the Term 4 2026, weather permitting. Work hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

The CCTV project is currently in the planning phase, with cameras expected to be ready for installation in approximately 12 weeks. Further information and delivery timeframes will be shared with the school community as planning progresses.

Temporary fencing and signage may be installed throughout the project to ensure the safety of students, staff, visitors and contractors.

These improvements form part of the department's ongoing investment in creating safe, secure and welcoming learning environments for students and staff.

For more information on CCTV including how the department uses footage, privacy laws and record keeping, please visit the department's [CCTV – use of closed circuit cameras page](#).

We appreciate the cooperation of the school community during these works and ask that all temporary barriers, fencing and signage are respected at all times.

If you have any questions about this project, please contact the NSW Department of Education using the details below.

If you have any questions about this project, please contact the NSW Department of Education using the details below. Please note our community phone and email are staffed Monday to Friday, 9 am to 5 pm.

Thank you for your understanding and support during this important work.
