

Rose Bay Secondary College

Works notification | 26 November 2025

Dear neighbour,

Last year we wrote to all neighbours about our intention to secure unauthorised access gates along the boundary fence between properties on Narelle Street, Rose Bay and Rose Bay Secondary College.

Boundary fencing plays an important role in providing safety and security for our students, staff and the wider community.

We wish to advise that we will be undertaking work to resecure unauthorised access gates in the coming days. All work will be done on the school's side of the boundary fence.

Recently there have been instances of unauthorised access onto school grounds, during which interference and damage to fencing works have compromised the school's security.

Rose Bay Secondary College is "Inclosed land" for the purposes of the *Inclosed Lands Protection Act 1901*. Entering school grounds without an appropriate reason is an act of trespass and not permitted. If you notice an incident on school grounds, please call the police.

More information is available at [Inclosed Lands Protection Act 1901 No 33 - NSW Legislation](https://legislation.nsw.gov.au/view/whole/html/inforce/current/act-1901-033) via the URL: <https://legislation.nsw.gov.au/view/whole/html/inforce/current/act-1901-033>

We understand the importance of maintaining positive relationships with our neighbours and seek to balance that with the safety of and wellbeing of the school and local community.

Thank you for your cooperation during this important work.

Notification issued on 12 September 2024

Dear neighbours,

Further to our notice issued on 5 September 2024, we wish to advise that works to secure the access gates along the boundary fence between your property and Rose Bay Secondary College will now occur on Friday 13 September 2024.

Work will take place between 8 am and 5 pm. All work will be done on the school's side of the boundary fence.

For the safety of contractors, please secure your pets and keep them away from the work area during the scheduled work times.

Negotiations for use of the school grounds outside of school hours with Waverley Council are continuing. We will update the community about the outcome of these discussions in due course.

Thank you for your cooperation during these important works.
